

# You're Welcome Back. ¡Pero el COVID no!

El COVID continúa siendo un riesgo en nuestro campus. You're best protected against severe illness, hospitalization, and death due to COVID when you get vaccinated and stay up to date with your COVID vaccine, including getting your updated vaccine to help protect against Omicron.

**Scan the QR code or visit [vaccines.gov](https://www.vaccines.gov) for more information and to find vaccines near you.**
